

**“Good” Enough
vs.
Not Good Enough**

Can't do it on my
own/
I need help

Don't want to be
disrespected
(or “led down a
path”)

Concerned with
Consciousness/
Unconsciousness of
Self and Others

Peacock = Everything
must look good from
the outside to prove
you are “being good”

Responsible for
everyone in family

High interest in
accountability = I'm
being/doing “good”

Doesn't have a voice
(marriage, w/ mom,
stumbling over
words thing)

Not Self-Expressed
